the Mohawk Valley Resource Center for Refugees. We promote the well-being of culturally diverse individuals and families within our community by welcoming our new neighbors, refugees and immigrants, and by providing individual and community-centered activities designed to create opportunity and facilitate understanding.

**We Aid Immigrants...**

by enabling individuals and communities to promote and sustain their cultural identity.

**We Aid Refugees...**

by providing people displaced by persecution with a renewed certainty of home and life.

**We Aid our Community...**

by forging cultural competence and by building bridges within the community.

**We Offer...**

a combination of programs and services that

- teach refugees practical life skills that enhance their ability to integrate into the community.
