The federal government will start mailing at-home COVID test kits for free to any US household that requests one··· Order yours, today!

- **Quick Ordering (free, no health insurance needed)**
- **Each household will receive one package, which contains four (4) at-home rapid antigen tests.**
- **After placing an order, test kits will be sent to household addresses by the United States Postal Service (USPS). Please allow 7-10 days to arrive.**
- **You can track your order if you provide an email address.**
- **Multigenerational families: The initial program will only allow 4 free individual tests per residential address. There are numerous other options to get tested for free, including over 20,000 free testing sites across the country (https://www.cms.gov/how-to-get-your-at-home-OTC-COVID-19-test-for-free).**
- **If you have health insurance, your insurance will also cover the cost of over-the-counter, at-home tests (up to 8 at-home tests per month for each person on your plan).**
