

**Volunteer Role:** Driving Simulator and Permit Preparation Assistant Volunteer

**Time Commitment:** Weekly, Mondays and Wednesdays from 12pm-1pm and 2pm-3pm at MVRCCR. Volunteer can commit either one day, or both but both time slots are needed on both days.

**Requirements To Volunteering:**

- Training on the Driving Simulator provided by MVRCCR Staff
- Willingness to help problem solve based on client needs
- Willingness to assist with all relevant client paperwork and record keeping for grant purposes.
- Regular commitment to the position
- Assistance with preparing study materials

**Role:**

The Driving Simulator and Permit Preparation Assistant Volunteer will work alongside the MVRCCR Traffic Safety Coordinator to streamline Driving Simulator and Permit Preparation Support services for clients. This will include training clients to practice on the Driving Simulator and also assist with helping prepare clients for attaining their New York State Learner's Permit/Driver's License; including but not limited navigating necessary community resources and requirements. Volunteer will receive training from staff on how to effectively serve participating MVRCCR clients.
