

OVERVIEW

COVID-19 EMPLOYER LANGUAGE ASSISTANCE PROGRAM

The Center announces a new program designed to communicate vital COVID-19 policies and procedures between the region's employers and Limited English Proficient (LEP) employees.

Staffing NYS Certified Contact Tracers, The Center's case workers communicate via phone to ensure employees are following guidelines.

Add-on pay-for-fee services available (database implementation, cultural training, multi-lingual document translation, etc.)

In-facility multi-language translated materials signage provided by tone, encouraging COVID-19 guideline compliance.
