## **APARTMENTS NEEDED**

**January 2019**

*Dear Landlords,*

*The Mohawk Valley Resource Center for Refugees is seeking safe and affordable apartments in Utica, NY for the FY 2019/2020. Beyond that we are looking to establish relationships with community housing providers to support our resettlement program in the coming years.*

*This year the United States Resettlement Program of the Department of State resettles about 30,000 refugees throughout the country. Utica, New York receives approximately 175-200 of these refugees.*

*The Mohawk Valley Resource Center for Refugees (MVRCR) is one of the resettlement agencies in the Lutheran Immigration and Refugee Service network. A not-for-profit corporation, MVRCR has been the main service provider for refugees in Central New York for over 30 years.*

*Today, Utica, a city of approximately 62,000 situated in rural upstate New York, has been host to over 16,000 refugees. This phenomenon has been the subject of numerous national and international news articles featuring Utica with a refugee population of more than 20%. The region has a lower cost of living than large cities, and the area is typically very tolerant of newcomers.*

*MVRCR's transitional services empower refugees to attain early self-sufficiency through employability assessment, job orientation and job readiness training, job development, job placement and follow-up. On-site supportive case management services that enhance the well-being of each refugee including transportation, classroom instruction in English and/or literacy, interpretation and translation services and immigration counseling, MVRCR has retained a diverse and professional staff to effectively deliver linguistically and culturally relevant services.*

*Your assistance in helping welcome these newly arriving refugees with housing is greatly appreciated. For more information about our agency, please visit our website at [www.mvr-cr.org](http://www.mvr-cr.org) or give us a call at (315) 738-1083.*
